

empty eyes

👁️ 4 ✓ 0 ★ 1

Chapter 1 by Hellbound Clandestine

empty eyes scan the room around us,
fighting not to breath rough
causing are location to be heard
ultimately,probable to, getting us killed ,

the hollow unworldy creature had
a smell so rotten and skin so poison
being around it was dangerous aswell
as unpleasing ,

the sound of bone crunching under the monsters
massive weight has him concerned .

will any of us make it out alive?
